VideoScribe Solution Packages

Your subscription is just the beginning...

Our VideoScribe Solution Packages have been designed to get the most value out of your subscription, including customized professional development sessions for your team, plus incorporating your organization's branding and design elements. Simply choose a package that best suits your needs and budget.

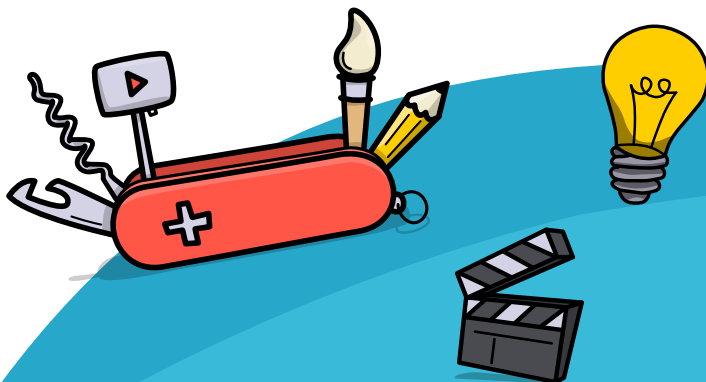

Our team licenses offer up to 33% discount off individual VideoScribe subscription prices.

Our three Solution Packages suit teams of all sizes and include:

- VideoScribe professional development workshops, custom-created with you for your team by our Sparkol Academy experts. We'll work with you to understand your teams' needs and how you plan to use VideoScribe, making sure you get the best training from the outset.
- Customized design work by our Sparkol Studio team to create bespoke VideoScribe-ready templates in your company's branding, and with your animated company logo.
